At Haddenham Infants there are lots of exciting things to do.

You will play in the playground.

You will use the computers.

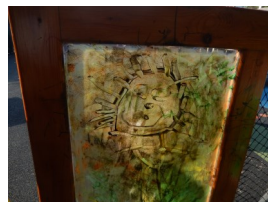

You will find lots of books in the library.

You will cook in the cookery area.

You will do activities in the Early Years

In the classroom

We read and write.

We dance and sing.

We count and draw.

We play in the
role play corner.

Outside the classroom we have a library area. We choose a new library book each week. You can keep your library book at home all week and bring it back to school on book borrowing day.

You can choose a story sack or a number game from the library to play at home.

You will have lots of friends to work and play with. If you ever need someone to play with, sit at the friendship stop in the play-ground and lots of children will ask you to join in their game.

Starting School

When you come to school you need to bring with you:

- ⇒ your book bag
- ⇒ your PE bag
- ⇒ your coat
- ⇒ your water bottle
- ⇒ wellington boots

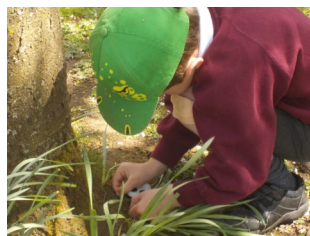

You leave your PE bag on your peg at school, but take the other things home with you every day.

You will need a t-shirt, shorts and plimsolls for indoor PE. Are all your clothes marked with your name? It helps when you lose something.

In the Summer term you will join the whole school in participating in the daily mile.

All children at our school wear school uniform. in burgundy and grey. Book bags, PE bags, sweatshirts, cardigans, winter hats and sunhats are sold at the uniform shop in Aylesbury. We think it is very important to wear a sun hat.

Helpful Hints

Pegs

When you come to school you will have your own special coat peg in the cloakroom to hang your coat and PE bag on.

Milk and Munch

We have a piece of free fruit every day. If you would like to have a drink of milk with your fruit, please ask a grown up at home to fill in the form. We give you your own water bottle which you can fill with water and bring to school every day.

Bells

The school bell will ring at 8.50am in the morning for the start of school. When you hear the bell you can enter school with your classmates. Reception children enter school through the side door into the classroom.

At first, your mummy or daddy can help you come in- to school. After a few weeks, we hope you will be able to come in by yourself.

Wet play

When it is raining, playtime takes place in the classroom. Special 'wet play' toys are kept in each class.

Every day

Every day as you come in, put your book bag in your tray, hang up your coat, and sit down on the carpet ready for registration.

Special Times

Sharing assemblies are special times every Monday when we share all the good things that have happened during the week.

We have 'Wellbeing' time on Friday afternoons when you can choose what to play with your friends.

Other special things include school trips, plays, visiting Theatre groups, Harvest Festival, Open evenings, Christmas party, Sports day, Concerts and Curriculum Focus weeks.

We have lots of visitors in our school who show us how to do things like dance, sing and juggle. They talk to us about interesting things too.

We have fun at our school
and we look forward to you
joining us soon. We are sure
you will be proud of being at
our school.
