School Travel Plan—'Green' Accreditation

We have been awarded the Modeshift STARS 'Green' accreditation for our Approved School Travel Plan.

This accreditation is awarded for our efforts as a school community to increase the levels of walking, cycling and other forms of sustainable travel by developing an Approved Travel Plan.

The week before half term we learnt about the importance of 'being bright be seen' and the children came wore something bright to school. As well as activities in the classroom the children sent in their 'colour me bright' poster, using bright colours for the cyclist's clothing. [Photos](#)

Best wishes
