

Dear Parents/Carers,

I hope you have had a good week. The weather has not been so good this week, hopefully it will begin to improve at the weekend.

Thank you for all of the support you have given your children with their home learning this week. The staff really enjoy receiving their messages and work. They are very proud of the children for all of their hard work.

Assembly and Story Time

When you are logged in to the home learning website take a look at my Whole School's page. There are a few new things for your child to do during their down time, including an assembly and story time.

The whole school page can be found next to your child's name on the top right hand side of their screen.

Phone call

Over the next few weeks your teachers will be giving you a call just to contact you personally just as they would have done if we were at school. They will call when they are next on the rota to be in school. This is just a friendly hello and how are you call.

Wave - 'Hi and Thank You to All Critical Workers

THANK YOU to everyone who has sent in their art! - We Need More Please!

We would like everyone at HCIS to say 'hi and thank you' to all critical workers by creating a school picture from the art you create using your hands.

Paint, decorate, draw a picture on your hands, make a heart shape, any colour/pattern, anything you like. Take a photo and email it to us. We will create a picture to send to critical workers. We can't wait to see your creations.

Action Calendar - Meaningful May

Please find attached the calendar for May with some more great activities.

Reminder: Design a Class Icon Image - Online Learning Platform

We are still collecting the children’s pictures for their class page image. We look forward to seeing your ideas! It can be any design they wish to represent their class on the home learning site. Thank you.

Star of the Week

Well done to all of the children who have accessed the home learning this week. We check up on work periodically so if someone has been missed they should be picked up on the following week. Our stars of the week are:

VE Day - Friday 8th May

Next Friday the country marks the 75th anniversary of Victory in Europe. We can still celebrate VE Day at home as there will be special broadcasts throughout the day. Holding a street party in lockdown may mean having a picnic in your front garden, or on your front door step and decorating your home in red, white and blue. You may want to make your own bunting, here is a link to the BBC website on how to do it. [Bunting](#)

How are you planning to celebrate? Please send in your photos so we can share them with our school. You can send them in to our facebook page or via the email.

Thank you once again for all you are doing.
