

Dear Parents/Carers,

How has your week been?

The children have been very busy completing the activities set by their teachers as well telling us what they have been up to. We are very proud of them all! Once again, thank you for supporting the children with their learning. I hope you can enjoy the bank holiday celebrations and have a nice weekend. Remember you can keep up to date, what you have all been up to and in contact via our [website](#), email and Facebook.

As you know the Government will be sending out guidelines on Sunday for the next steps in the lockdown and how they plan to relax the restrictions. When we learn more about what that means for all of us we will need to digest this to understand how we can implement this at a school level.

Therefore please give us some time to consider the update and work with Governors and the staff to decide what the implications will look like for us - whether that be continued home education, partial school opening or full school opening. We will update you as soon as we can next week. However, to be clear, as it has been all along, our primary focus will be the safety of our pupils and their families alongside the safety of staff and their families and we will do all we can to ensure that we keep this virus away from our school community for as long as we can.

VE Day - Friday 8th May

Tomorrow we celebrate the 75th anniversary of Victory in Europe. We can still celebrate at home. Miss Lewis sent out some ideas for activities you may wish to do. Let us know how you celebrated by email or Facebook.

Phone call

Over the next few weeks we will continue with the teachers giving you a call just to contact you personally as they would have done if we were at school. They will call when they are next on the rota to be in school. This is just a friendly hello and how are you call.

Wave - 'Hi and Thank You to All Critical Workers

Thank you for all of your artwork. We have put this together into a collage to send to our critical workers. It's also on our website and facebook pages. [ThankYou](#)

Star of the Week

Well done to all of the children for completing an activity at home and letting us know about it. Just to remind you, you can do this via email, the online learning website, facebook and tapestry for YR. We check up on activities periodically on all of these digital platforms so if someone has been missed they should be picked up on the following week.

Our stars of the week are:
